

Washington State Department of Transportation/Eastern Region—2714 N. Mayfair, Spokane, WA 99207

October 31, 2002 CONTACT: Al Gilson, Public Information Officer (509) 324-6015

**WSDOT Construction Activity & Possible Delays/October 31-November 10, 2002**

This update is also available by calling 1-800-695-7623, extension 511.

**SR 20/Colville High School to Narcisse Road (MP 355.94-363.61)**- Project is complete.

**SR 27/Pines Road (MP 84-86)**- Avista crews are continuing utility work on this section of roadway from 4<sup>th</sup> Avenue to Cataldo Street in the Spokane Valley; crews are currently stringing wire along Pines Road. This work requires minor lane restrictions on the northbound lanes of Pines Road; southbound traffic will not be affected. Motorists should be aware of possible minor delays and congestion in the work area.

**SR 31/Campground Road to the Canadian Border (MP 25-27)**- Pend Oreille Telephone continues installation of a fiber optic cable adjacent to the highway. Motorists should be alert for equipment and personnel next to the roadway and short lane restrictions with single-lane traffic directed by flaggers. This work should complete by Nov. 4<sup>th</sup>.

**HIGH IMPACT!! Harvard Road** – The City of Liberty Lake continues work on Harvard Road north of Mission Avenue to the Spokane River bridge; the road is now open to traffic, although major construction continues. This is a City of Liberty Lake project. For additional information, please call 755-6700.

**HIGH IMPACT!! SR 290-Trent Avenue/Spokane River Bridge (MP 0.4-0.6)**- Work continues on this bridge replacement project between downtown and Hamilton Street. Trent Ave. is closed to through traffic between Riverpoint Blvd. and Cincinnati Street. Detours are fully signed. Access to all businesses on Trent is available. This is a long-term closure.

**US 395/North of Hastings Road (MP 166.70)**- The new signal at this location was fully activated this afternoon (10/31). As crews continue making striping revisions in the signal area, motorists can expect possible lane and shoulder restrictions thru Tuesday, November 5<sup>th</sup>.

**US 395/Arden to Colville (MP 219-229)**- Project is complete.

**HIGH IMPACT!! US 395/Colville Main Street (MP 228-229)**- Work continues in downtown Colville. All signals are activated; roadway striping is complete. Motorists can expect minor, periodic lane closures while minor items are completed. This is a City of Colville project.
